PROFILE

I am a freelance editor/colorist based in Los Angeles, also the founder of *XIN STUDIO* - a post production studio providing professional package services of editing, color grading, DIT, finishing services for high-end film and videos. My credits include Oscar nominated film "Missing Link", AFI TOP 10 film of the year "Richard Jewell" and Netflix TV Series "Messiah" etc.

EXPERIENCE

2017 - present | Editor/Colorist at Xin Studio, Los Angeles

- Design and execute various post-production workflow.
- Edit/color grade films, documentaries, music videos, commercials, trailers using Premiere, AVID Media Composer and DaVinci Resolve.
- Design artistic graphics including lower thirds, title cards, closing credits using Photoshop.
- Prepare and collect turnovers for music, sound, visual effects or/and any other departments and create various deliveries.
- Create closed captions and marketing materials for distribution.

2019 - 2020 | DI Color Assist at Technicolor, Los Angeles

- Color grade feature films for clients such as Wanner Bros. Pictures, Netflix, Laika etc. Grading in Baselight system.
- Assist PHA award-winning colorist Maxine Gervais with sessions, color matching and beauty works, etc.

2018 | Junior Colorist at Roush Media, Los Angeles

- Handle color grading/restoration for films, documentaries, trailers, TV programs with DaVinci Resolve, Nucoda, Baselight.
- Pulled out VFX plates and communicated with the editing/VFX team.
- Executed various post-production workflow and deliveries for feature films.

EDUCATION

2014 - 2017 | MFA, MOTION PICTURE & TELEVISION, Academy of Art University

2009 - 2013 | B-Eng, DIGITAL MEDIA ART, Fuzhou University
